

2011-2012

NSHS Parking Regulations

DURATION – These regulations will be enforced from 7:00 am – end of the school day (end of J-Block or last scheduled block) every day classes are in session. They will also be in effect two weekdays before and after the regular school year for students.

PURCHASING TAG – There will be **165** spaces allocated for student parking. Seniors who wish to park on campus must purchase a parking tag for \$180 each semester. Parking tags will be sold in the main office starting on Monday, August 29. Payments must be made in full and by check made payable to: Newton Public Schools (in the memo section on the check, print NSHS PARKING). Tags will be sold on a first come/first serve basis. Juniors will have an opportunity to buy tags on a first come/first serve basis as well.

FACULTY/STAFF (who require parking) will not have assigned spaces. Faculty/staff have stickers on the left-hand side of their windshields and all faculty lot parking will be first come – first served. The gym lot, the spaces on the Brandeis Road hill next to Goodwin, in front of the main office/auditorium, and adjacent to the Wheeler/Goldrick “new wing” area (except for the clearly designated student spots) will all be faculty/staff parking only. Students are not allowed to park in these areas.

VISITORS – Four (4) “Visitor” spots in the lot closest to the gym and six (6) in front of the auditorium will continue to be clearly marked. These spaces will be available for parents and other visitors throughout the day. Visitors who use these spots must register their use by informing the main office upon arrival at the time of their visit.
