

Arena Scheduling Day

Guidance counselors and department heads will be available in the Student Center on Tuesday, August 27th from 9 am - 11:30 a.m. to resolve scheduling issues prior to the start of school. Students (or parents) with any of the following issues can seek to resolve them at this time:

- Missing an English, History, Science, Mathematics or World Language class
- Missing a class to continue pursuit of a strong interest (for example, if a student has been in orchestra for the past 2 years, and was not scheduled into orchestra this year but requested it)
- Scheduled for the incorrect level of a course (e.g. Honors instead of Curriculum I)
- Scheduled for the wrong class (excluding cases where a student was given their alternative course rather than their first choice)
- Not scheduled for a full-time student load (i.e. fewer than 24 blocks for grades 9, 10; fewer than 22 blocks for grades 11, 12 – must have Housemaster approval)

Students/parents must first see their guidance counselor to get approval for any changes from the appropriate department heads.

Students will receive their new schedule in Advisory on the first day of school.
