

Newton South High School Arts Advocacy Alliance

Dear Parents,

Newton South is in the process of strengthening support for the visual arts (Ceramics, Drawing & Painting, Mixed Media, Glass, the Media Lab, and Photography). One way we aim to accomplish this goal is through the development of an arts booster club similar to the one that exists for South Stage and music. We understand that everyone's time is valuable, but remain hopeful that if people donate what they can manage of their time/talents/connections/supplies we can come together as a community to build a dynamic Arts Advocacy Alliance (AAA). As we move forward in this process it would be helpful to gauge community support. Please check the box(es) below that correspond to ways in which you could support the AAA. This is by no means a contract of commitment, just a way to see what type of support the community has to offer.
