

# “Secret Student” Activity for 9th Graders

October 1, thru  
October 31, 2020

*To sign up click [here](#). Provide your name, email address, cell phone number, mailing address and any allergies. Sign up ends 9/30. Participants will receive an email with contact information for one classmate by October 2.*

**Connect with other 9th grade students for some fun and friendship.** Here’s how it works... All who sign up will be assigned a classmate to be an anonymous “Secret Student” to for one month. This role involves sending regular encouraging texts, memes, video

links, emails, letters or small gifts (under \$5) and clues to your identity.

Simultaneously, every participant will also be on the receiving end of a Secret Student.

At the end of 4 weeks (on October 31) all identities should be revealed and a special Halloween Treat provided (think candy bar, silly photo or fun meme).

Hopefully some friendships will be sparked. At the very least, two connections will be made, and the previous 4 weeks will have included some mystery and fun to pass the time.

### **Some ideas of “clues” to share:**

### **Guidelines:**

- Keep communications positive.
- Avoid political, racial, and religious comments or jokes.
- Keep communications “clean”. No profanity.
