Steve Matthews finished his college playing career fifth all-time in the history of the NCAA basketball in three point field goal percentage and three point field goals made. He made well over 100 three point field goals per season. Steve Matthews played at Northeastern University and Emerson College. In his only two seasons at Emerson College, Steve scored 1,139 points. Steve is currently the Head Varsity Basketball Coach at Newton South High School. Steve has worked individually with countless grade school, middle school, high school and college basketball players on improving their basketball skills. If you want to improve your shooting ability, this is the clinic for you.
