

PTSO Board Meeting
February 15, 2022

Attendance: Michelle Wetlaufer, Melissa Monokroussos, Ilana Steel, Wayne Fitzpatrick, Allison Lopez, Lisa DePalma

Agenda

Financial Review: Have about 58K cash in the bank. We will have grants coming in (\$7500), we've paid out three grants so far (\$1200-approximate). All program support has been funded 100%. The principal has some budget money available. Southfest will be the next big ticket item, we will also plan to do a Senior Sendoff (COVID pending).

Fundraising Ideas for Picnic Tables: Ms. Stras would like to have 8 tables. One vendor quoted \$16,000 for all 8, one vendor said \$10,000 for all tables. Each class will also fundraise for these tables. Food Truck day at lunch?

SouthFest: The Committee is headed up by Sally DiLoretto and they are meeting tonight.

Senior Note: A senior is running in the Boston Marathon for Rhett's Disease. We will advertise his fundraising in the newsletter.

Discussion with Ilana about Hospitality 2022: Fourth teacher's luncheon was in February. We are fundraising individually for each event. Ms. Stras is willing to use her principal's funds of \$2300 to help fund the March lunch. One idea is that we use the principal's funds for sandwiches and PTSO provides the drinks and chips. May 12th may be the last lunch for the teachers. We need to check if Ms. Stras would like to do something for the end of the year. For next year, we need to get a sense of what hospitality events Ms. Stras would like to do for staff. It may be better to budget 10K for hospitality for next year.

Superintendent's Coffee will be March 21st at 8:30 am. Michelle will send a Zoom link

Next Board Meeting: March 21st 7pm
