

PTSO Board Meeting
March 21, 2022

Attendance: Michelle Wetlaufer, Teri Ginsburg, Melissa Monokroussos

Agenda:

Finance: Michelle will catch up with Wayne

Picnic Table Fundraiser: We have raised enough for one table. Michelle will go ahead and purchase two tables for now, and buy more as more funds come in.

Luncheons: We have two for the remainder of the year. One on March 24th (funded by PTSO), and one more in May (we will fundraise for this one).

End of Year Retirement Party: we will do this in lieu of end of year luncheon, will be desserts only.

Volunteer Spots: Michelle has a secretary, treasurer, co-president and web designer lined up for next year.

Beautification: Money spent on back garden.

Boosters Update: Fundraiser 5K Sunday May 15th. Boosters' goal is to broaden reach, build school spirit, sell concessions for many games, and sell spirit wear. The booster club is currently fundraising for the stadium sound system, large equipment purchases for some of the sports teams, a scholarship fund, and financial assistance for students. The club has a new fundraising chair.

Next meeting: April 25th
